Mustang Competitive Select Philosophy

I understand the following:

- Coach selection and team formation will be based on player numbers and the Competitive Committee's final decisions.
- Late application forms will place coaches at back of list.
- Discussing anything with parents before tryouts (other than soliciting attendance at tryouts) may result in coach removal.
- Teams are formed by draft as described on the Mustang website or as specified by Competitive Committee's final decisions, based on assessed talent, not on prior team assignments.

I acknowledge and understand

Megan's Law Authorization

I, _____ confirm that I am applying for the position of coach or assistant coach with Mustang Soccer League, a youth soccer program. I am aware that Mustang Soccer League may run a limited background check on me by searching the "Megan's Law" database to confirm that I am not a sexual habitual offender as defined by California Penal Code Section 13885 and registered pursuant to California Penal Code Section 290.4.

I understand that Mustang Soccer League may retain the services of DBI Investigations to run the sex offender registration database search, and I hereby authorize Mustang Soccer League to do so. The sex offender registration database search is conducted for the purpose of protecting, to the extent possible, Mustang Soccer League players from involvement with registered sexual offenders, and to that end and for that limited purpose I authorize the database search as set forth above by Mustang Soccer League, or its agent, DBI Investigations.

I accept I decline
